

UIA 2030 AWARD STAGE 2 SUBMISSION REQUIREMENTS

This paper describes the submission requirements for Stage 2 of the UIA 2030 Award, an awards programme developed by the International Union of Architects in partnership with UN-Habitat to recognise and promote the work of architects which contributes to delivery of the UN 2030 Agenda for Sustainable Development together with the New Urban Agenda.

Stage 2 finalists are invited to submit the following additional information, using the AwardForce online platform, no later than mid-night on Monday 25 April 2022.

1. A TWO TO THREE MINUTE VIDEO OF THE PROJECT IN USE

Entrants are invited to submit a 2-3-minute video of the project in use and in its context, which explains its function and the ways in which it responds to the relevant SDG's/Targets and meets the eligibility criteria. The video quality shall be Full HD (FHD), 1080p, 1920 x 1080 and shall be supplied in either MP4 or AVI file format.

Please note that the video will be used to help jury members select the winner in each category and will also be used for promotional purposes among a global audience. Entrants are therefore invited to ensure that the videos are both informative and engaging, providing a succinct overview of:

- 1) The project and its objectives.
- 2) The way in which the design approach achieves the principles underpinning the relevant SDG/Target together with the awards eligibility criteria.
- 3) The projects impact in relation to the relevant SDG/Target.

Entrants are encouraged to include first-hand testimony from users of the project. All dialogue should be in English or in native language and subtitled. The use of music is discouraged. Please note that you do not need to provide the following information.

- 1) The location of the project
- 2) The name of the project
- 3) The identity of the architect

The organisers will provide this in an opening slide to ensure consistent labelling and presentation. It is the responsibility of the entrant to ensure permission for use of the video and agreement to its publication in connection with the UIA2030 Award.

2. FIVE ADDITIONAL HIGH-RESOLUTION PHOTOGRAPHS

Entrants are invited to submit five additional high-resolution images (min 5MB), which will be used by the jury members in their Stage 2 evaluation and may be used for publication purposes.

3. ALIGNMENT WITH THE SUSTAINABLE DEVELOPMENT GOALS

In order to assist members of the jury assess alignment of the project with the Sustainable Development Goals (SDGs)¹, entrants are invited to indicate on the AwardForce platform which of the SDGs they consider their project contributes to. Entrants are also invited to submit up to 750 words of additional text to describe the impact of their project in relation to the SDG's and upload to the AwardForce platform up to three additional PDF files by way of additional evidence.

¹ See attached appendix for a full list of the Sustainable Development Goals and associated targets.
